# Hey! You Have No Right To **BULLY** Me!

This eBook address issues about children bullying one another. This edition lists **100** commonly known reasons that are used by children with low self-esteem to bully one another. This simple easy to read publication illustrates basic examples to discourage this harmful behavior in the child and their peers.

The message herein communicates that it's "OK" to be different **BUT** without the verbal or physical abuse! Regretfully, too often bullying doesn't end with a positive result because the protagonist doesn't realize the behavior is potentially dangerous.

This eBook was written to discourage this harmful behavior for any age group including adults. It is a **FREE** download when you subscribe to my Newsletter! ☺
